

Indian Association of Nuclear Chemists and Allied Scientists (IANCAS)
DAE-BRNS IANCAS NATIONAL WORKSHOP ORGANISATION
RULES and REGULATIONS

Host Institute: Universities / Academic Institutes having PG courses & Research Activities

Workshop Title: Radiochemistry and Applications of Radioisotopes

FINANCE :	IANCAS will provide Rs. 10,000/- as seed money to the organizers. TA to resource persons will be borne by IANCAS. IANCAS does not provide TA/DA to any participant. Organizers may collect a participation fee to offset the expenses towards arranging working lunch and tea to participants and resource persons during the Workshop period.
WORKSHOP INCHARGES	Local organizers will designate a 'Director' who shall be responsible for organizing the Workshop in consultation with coordinator nominated by IANCAS. IANCAS coordinator is responsible for technical programme.
WORKSHOP ANNOUNCEMENT	It will be printed by the Director in consultation with the IANCAS coordinator. Duration of Workshop is 6-7 days.
PARTICIPANTS	Total Strength = 40 to 50. Academics, research scholars, users of isotopes and medical doctors are the participants. About 50% of the participants shall be non-local. <i>M.Sc students are not counted as participants.</i>
COURSE MATERIAL	Each registered participant will be provided with a set of two books free of cost.
CERTIFICATES	Certificate will be finalized and printed by the coordinator in consultation with Director of the Workshop. After completion of the Workshop, participation certificates will be given to those with more than 90% attendance.
TRAVEL	Train Travel tickets for resource persons shall be arranged by IANCAS coordinator with IANCAS money. As far as possible all resource persons shall travel together.
LOCAL ARRANGEMENTS	Annex I
School/College Workshops during national workshop	The Host Institute may contact the nearby schools / colleges beforehand and help IANCAS to organize one day duration Workshops cum demonstration programmes to X, XI and XII Std students. The transport shall be organized by the host.

Annex I : Local Arrangements

1) Local Travel :

- ✓ Pick up / dropping resource persons from / to the house along with IANCAS + personal luggage – to be arranged by IANCAS coordinator.
- ✓ IANCAS team should be received and dropped at the station by the Host Institute personnel and make arrangement for their transport to / from the guest house / lodging place.
- ✓ The arrangement of the transport of the resource persons from the guest house to the venue of the Workshop (if beyond walkable distance) to be taken care by the Host Institute

2) Accommodation:

- ✓ The expenditure for lodging to be borne by the Host Institute. The accommodation should be a decent double bed guest room with A/C room/ heater (depending on the place and the weather condition)

3) Food :

- ✓ Host Institute will make food arrangement for resource persons – bed tea, breakfast, tea for all during break time between two lectures, lunch (working lunch along with all registered participants) and evening tea (along with all the participants during the during the laboratory session) and dinner.
- ✓ In case, the host has difficulty to provide food, same may be arranged by the Workshop coordinator by spending IANCAS money.

4) Inaugural and valedictory function :

- ✓ Arrangements (financial and other) for the inaugural and valedictory function – By the Host Institute. But the programme shall be finalized in consultation with IANCAS coordinator.

5) Publicity:

- ✓ For both the above functions, media personnel may be invited for reporting. Wide publicity and good coverage of the important lectures during the Workshop, interviews, newspaper coverage etc. shall be arranged by the Host.

6) Sightseeing:

- ✓ Host Institute may arrange sightseeing around the Host Institute on holiday(s) but the expenditure should preferably be borne by the resource persons. It is welcome if the host sponsors the sightseeing.

IANCAS Two Day National Workshop

IANCAS is also conducting Two Day National Workshop on **Radiochemistry and Applications of Radioisotopes** in various Universities and Colleges. IANCAS provides TA/DA to resource persons and host institute is responsible for local hospitality and local travel. At present, IANCAS does not have any provision for donation of instrument in this shorter version of workshop. Workshop days are preferred on Friday and Saturday.
